

a Daughter never found.

A long time ago a Pirate named Edwin, leader of the naval fleet of the community of Derion, was stolen of his daughter. In desperation he decided to ask for help saint Prime.

it told him that his daughter had been taken prisoner by the terrible bernaga in the forgotten island.

Edwin Sailing the seas destroying everything in front of him until he reached the forgotten island.

He immediately start many difficult fights including the one with the terrible fire monster Pyroton but thanks to his strength, defeated him. Continuing his journey he arrived at the center of the island and finally met the giant worm Bernaga.

Edwin tried to fight him with all his strength, but he knew that he could not defeat him alone so he asked all his soldiers for help. Archers and warriors arrived and together killed Bernaga. Soon after they heard the screams of her daughter but by now it was too late she was transformed into a terrible monster called Succubus Edwin approached her but there was nothing to do she put on her terrible scream and suddenly they all disappeared.

for this reason, every person who approaches the succubus is chased away.
